Greetings Lower School Families,

It's that time of year when the hallways are filled with packages from UPS, Amazon, and freight trucks. Oh the excitement of feeling, smelling, touching, and hearing the pages fan of all the NEW books and materials. The other anticipated excitement of the new year is the unveiling of classlists. New this year when you open classlists, you will find the word BLUE or GOLD next to your teacher's name. This year we have grouped teachers into teams- blue team and gold team. This was done to help with planning for COVID requirements in the event that we ever have to keep campus at 50% capacity. We are also going to use teams for the opening of campus for the first day of school.

First 2 Days of School: August 13th and August 14th

Dr. Rankin and our administrators have made the decision to have a slow opening of school on August 13th and August 14th. This means that only 50% of the school population will come each day. This will help us manage the new entry procedures and campus movement protocols. What this means to families is that each student will only come to school one day, either the 13th or the 14th. We will hold a regular full day of school with after school care on both FIRST DAY of school dates.

TEAM GOLD- August 13th

TEAM BLUE- August 14th

School will begin for all students together on Monday, August 17th. We appreciate your support as we return to campus. We CANNOT wait to see the smiling faces and hear the sweet voices of your children!

Please check the attached lists for class assignments.
