

Dear GDS Community,

As we move forward with starting school on campus on August 13, 2020, we are continuing to evaluate the needs of our campus and community. I am so proud of our COVID-19 Operations Team as they have tirelessly worked on making our return to campus safe and healthy for everyone.

I invite you to view a [new page](#) on our website that contains all the information and resources regarding GDS' fall re-opening. This page will be updated frequently. [Click here](#) to view our new re-opening page.

We continue the **Parent Education Series** this week with videos from the division heads outlining schedules, device policies, learning platforms, course modifications, facility zoning, and cohort groups.

[Click here for the Middle School video](#)

[Click here for the Upper School video](#)

Our next **Parent Education Series** will be the week of July 13, 2020 with information from the COVID-19 Operations Team about Health and Hygiene. This video will provide more insight on temperature scans, physical distancing, and cleaning & sanitizing.

As always, we will update you with any new changes and don't forget to check our [re-opening web page](#) for information.

Thank you for your continued support and dedication. If you have any questions, concerns, or suggestions, please don't hesitate to reach out to me at rrankin@gastonday.org.

Sincerely,

A handwritten signature in black ink that reads 'Richard E. Rankin, Jr.' in a cursive script.

Richard Rankin, Jr.
