

Welcome to Sparty's!

Here at Gaston Day School, we aren't serving your average school lunch! On a daily basis Chef Dave and his team are creating delicious food. We are using fresh quality ingredients to provide the students and staff with fun, seasonal, creative and ethnically authentic lunches. The lunch menu rotates loosely on a 6 week schedule, so don't worry if you've missed one of your favorites, it'll be back around. You can expect to find lunches like chicken alfredo, Grandma's meatloaf, grilled salmon, sweet and sour pork, skirt steak tacos, fried shrimp, smoked pork bbq, chicken wings, burgers & dogs, grilled cheese sandwiches and a whole host of other items that Chef Dave and his culinary team can come up with! If you ever have any suggestions, comments, or questions, please don't hesitate to reach out to [Chef Dave!](#)

#### Lower School: Pre-School through 4 grade

To start the school year, your lunches must be ordered by Sunday evening prior to the start of the school week. Parents, you'll find a link on [Sparty's website](#) to place your students' lunch order. Each day, you'll see they have the option to order the hot lunch- which will be served with a starch and a vegetable. You will also have the option of ordering a sandwich for your student. All lunches will include a drink. Please utilize the *comments* section to note any food allergies. Lunch for all lower school students this year will be \$5.50

#### Middle & Upper School: 5th grade through 12th grade

Welcome back to in person dining at Sparty's! The lower dining hall will be open for all middle & upper school students beginning Aug 18, 2021 ! In the lower dining hall you will find a "hot lunch" option, a "chef's station" lunch option, the "deli" lunch option and pre-made entree and side salads! You'll also find our coolers stocked with your favorite beverages from Coke and Pepsi. There will also be other snacks for purchase such as chips, cookies, candy, ice cream and more. Lunch for all middle & upper school students this year will be \$6.50

### Sparty's Lunch Accounts

Again this year, we will operate on a declining balance account for all students and staff. What that means, is that you will add funds to your account and each day that you order lunch we will debit your account. You may use this account for morning break and snacks as well. You can add funds to your account in a few ways.

1. Write a check to GDS, and in the memo line put your students name and "Spartys"
2. Set up an account on [MyPaymentsPlus.com](https://www.mypaymentsplus.com) and link your student to your account and add funds. (there is a 4.75% fee to do this)
3. Call Sandra Stewart in the finance office (x120) and she can process payment on your credit/debit card. (there is a 4% fee to do this)
4. Call Sandra Stewart in the finance office (x120) and she can process an ACH debit for you at no cost

### Something New

Sparty's is now offering "Birthday Celebration" packages. We know that your child's birthday is a special day. We also know that it can be hectic for parents to rearrange their schedules, pick up snacks, get to school, zoom back to work and everything else that comes with birthdays during the school year. Why not let Sparty's help out with that? Thanks to a great idea from a parent, we've created a classroom birthday party package that can be delivered to your child's classroom on their big day! We'll offer things like cookies, brownies, ice cream cups, sandwiches and bars, cupcakes and more!

### Family Meals To Go

It's baaaaack! That's right! After a successful run last school year of delicious to go meals, Chef Dave and his team will be back at it again this year putting together dinner for your family! The plan is to offer these meals once a month for pick up on the 3rd thursday of every month. Each meal will feed 4 people and will cost \$37.50 this year. There will be an order form on the [Sparty's Website](#) where you can place your order. Watch your email and social media for posts and updates about this! To pay for your meals this year, we'll simply debit your declining balance account (there will be a place to note which student/adult account to debit on the form).
