After School Registration and Dates:

Students must be signed up for After School using the sign-up portal on Popsicle, which is also where you will submit payment for after-school. **You will need to sign up weekly for after-school sessions**.

Fees and Late Penalties:

The **weekly fee is $60**.
We also provide drop-in services which will allow students to attend After School care on an as-needed basis. The **drop-in fee is $15 per day.** If you choose drop-in, you will be charged $15 a day - *so if you end up doing drop-in for the entire week, it will cost you $75.*

You will need to pre-register for either monthly, weekly or drop-in care via Popsicle. Any families that utilize after school, but have not pre-registered will be billed for their time.

On weeks where there is one day of no-school (a 4-day school week), you will still be **charged the full week rate**.

Students must be picked up no later than 5:30pm. If a student is picked up after 5:30pm, the cost is $10.00 for the first 5 minutes and $5.00 for each five-minute increment thereafter per child. This amount will be billed through the Popsicle App/Stripe in addition to your weekly/drop-in charge.

Sign-Out/Pick-up:

When you wish **to release your child from middle school care, please call After School Staff at 980-502-5817**. Students will not be released without notification that a parent is present. Please be sure that the person picking up your child is on the "approved pick up list" that you will fill out in the Popsicle app. Any pickup changes must be submitted, in writing, to Melissa Pruett

After school pickup will be at the Lower School playground. Please utilize the phone number above and meet your child at the fence gate closest to the playground area.

*To access campus after school, **you will need to enter a number at the gate.** This number can be found under your student's profile on OnCampus, under your child's profile click the contact card tab and scroll down to general info and locate the student ID number. This five digit number plus # will open the gates.

Discipline:

In accordance with the Family Handbook, all rules and regulations that apply during the school day carry over to after school. Students are expected to treat the staff with the same level of respect and courtesy they do for their teachers. Our Chromebook and internet policies also apply to students using technology in after-school. Cell phone use in after-school by students is prohibited. Students who are unable to behave in accordance with Gaston Day expectations will lose the privilege of attending our after-school program.

Please keep in mind that unsupervised students who do not report to after school care will receive detention. Any middle school student not under the supervision of a teacher, coach, or parent needs to be picked up by a parent or pre-registered to attend after school care by 3:15.
